# 24 & 26 Gauge Fluoropon® COLOR GUIDE

When it comes to the durability and long lasting color-resistant finish on metal roofing, Everlast Roofing uses only the best paints available on the market. Fluoropon® 70% PVDF by Sherwin-Williams Coil Coating, contains a Kynar 500® and/or Hylar 5000® resin system, that is known for its field-proven performance offering:

- Outstanding color and gloss retention
- Extreme weathering performance
- Resistance to dirt, stains, chalk and fade
- Great flexibility during the manufacturing process
