COLORBOND® is a registered trade mark of BlueScope Steel Limited.

COLORBOND® is a proprietary paint system that provides superior protection and resistance against weather and UV exposure.

Developed by BlueScope® Steel, through 50 years of rigorous laboratory testing and real-world application in the harshest environments, Everlast Roofing has made COLORBOND® our paint system of choice.

COLORBOND® makes us confident by surpassing all other pre-painted steel with proven and tested performance in terms of consistency and durability.

Offering superior chalk and fade resistance and gloss retention can ensure your building's paint system will perform.

Protecting your investment, Everlast Roofing, Inc., Our Name Says It All.
